

Sinking Fund Millage Vote on Tuesday, November 7, 2017

Residents will be asked to vote on a Sinking Fund Millage. This millage is for 3 mills over a 10 year period. This millage would replace the expired 6 mill bonded levy that expired in 2016.

The Sinking Fund millage will provide funds that will help the district complete projects needed to facilitate student safety, security and to maintain facilities.

Some of the specific projects that the Sinking Fund would pay for are:

- Repair Bridgeport High School roof
- Replace Bridgeport High School auditorium roof
- Repair the High School tennis courts
- Repair or replace (in all buildings) broken water fountains, electrical boards, furniture, etc.
- Technology, STEM (science, technology, engineering and math) upgrades and acquisition
- Replace Atkins hot water heater
- Repair stadium lights at Bridgeport High School
- Security cameras and related equipment at all buildings

For a home valued at \$50,000, the taxes would be \$75 per year and a home valued at \$100,000, the taxes would be \$150 per year.

Vote at your regular voting precinct. Polls are open from 7:00 A.M. – 8:00 P.M.
